

A photograph of a sunset over a body of water. The sky is filled with warm, orange and yellow hues, with some clouds catching the light. The sun is low on the horizon, and its reflection is visible in the water. The foreground shows the dark, calm water reflecting the sky. In the background, there is a dark silhouette of a forest or trees.

**What do you know
about
“Masjid Al Aqsa”**

Sta znamo

o

“Mesdzidu-l-Aksa-u”

**Have you noticed, whenever there is
mention of the**

AL AQSA MOSQUE

**in the local or international media, the
picture of the**

**Dome of the Rock
appears instead!**

Dali ste ikada obracali
paznju, uvijek kada se
prikazuje

El-Aqsa dzamija,

u loklanim ili globalnim
medijama, obicno se prikaze
slikama dzamije Sakhra.

**The main reason behind this is
the ignorance**

Please

BE CAREFUL

**Uglavnom je u pitanju
ignorisanje.**

Molimo za paznju po ovom
pitanju.

Many people Muslims and non-Muslims, in purpose or by mistake, print and distribute such pictures.

Muslims post it every where, in their homes and offices. As a result, our children fall into the trap of not distinguishing between the two Mosques!

Dosta ljudi Islamske i neislamske vjeroispovjesti, ne obraćaju pažnju prema ovome, ispisuju i distriburiraju takve slike.

Muslimani stavljaju na kućne zidove, kancelarije itd., takve slike. Rezultat toga svega je da naša djeca nemogu da spoznaju razliku između ove dvije džamije.

**What will
happened if the
Aqsa mosque is
destroyed?**

**Pitanje je sta bi se
desilo da neko
srusi/razori dzamiju
El Aqsa?**

**No one can condemn or
complain,**

As the confusion between

AI-AQSA Mosque

and

QUBAT AS-SAKHRA Mosque

is so well established

**Uglavnom niko se nemože
zaliti, niti protiviti takvom
činu, jer je doslo do
konfuzije raspoznavanju
dzamija po tačnom imenu.**

**Spoznavanje Qubat As-
Sakhra dzamije kao Al Aqsa
je već općenito tako
prihvaćeno.**

All Muslim should be aware of this
difference and
make it clear to our children and the
public about Masjid al-Aqsa.

**See the real pictures on the
next slides.**

**Svi muslimani svijeta trebaju da
spoznaju ovu razliku.**

**Isto tako trebamo poučiti svoju
djecu o tome, isto globalno treba
dostaviti istinu koja je dzamija
koja, da svako sazna.**

**Pogledajte razliku na slikama
sto slijede....**

A scenic landscape featuring a calm river or lake in the foreground, reflecting the sky and surrounding trees. The trees are mostly bare, suggesting a cooler season. The sky is a clear, vibrant blue with a few wispy clouds. The overall scene is peaceful and natural.

Please, let all your friends and family know about this.

This is a very important matter.

Let all people around you know that the Aqsa mosque and Sakhra mosque are not the same.

In Islam Al-Aqsa is one of the three most sacred places after Mecca and Medina.

**Molimo, dajte do znanja
vasoj fameliji i drugovima
ovu vaznu cinjenicu.
Dostavite svim ljudima da
El Aqsa dzamija, i dzamija
Sakhra nisu iste.
U Islamu je dzamija
El Aqsa treca dzamija po
vaznosti posle dzamije u
Mekki i Medini!**
